MA Seminar

Gender als Kulturprodukt  
to enhance depictions of diversity

# Course Design

- Gender als Kulturprodukt
- Small class of ca 18 students
- First half of course on gender and deconstructive theory
- Second half interview design, interviews and preparation of teaching guides and wiki

# Teaching Goals

- Expose students to leaders in practical and political work
- Students apply theory learned in course to actions in social work, politics, education, and art.
- Students pursue their interests
- Team work
- Reflection on their role as researchers
- Collection of an archive of videos

# Challenges

- Students' schedules, and required time to acquire, conduct and cut interviews
- Providing video cameras
- Providing editing facilities

# Vielen Dank für Ihre Aufmerksamkeit
